

INDEPENDENT ACCOUNTANT'S REPORT

To Brale Inc.
Des Moines, Iowa

We have examined management of Brale, Inc.'s (the Company) assertion that the Fair Market Value of assets held in Glo Dollar (USDGLO) reserve is equal to or greater than the number of USDGLO in circulation in accordance with the criteria established by management and as described in their Smart Contracts as presented on public and open blockchains used by the Company as of July 31, 2024, at 11:50pm Eastern Time (the Report Date). The Company's management is responsible for its assertion. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, management's assertion that the Fair Market Value of assets held in Glo Dollar (USDGLO) reserve is equal to or greater than the number of USDGLO in circulation in accordance with the criteria established by management and as described in their Smart Contracts as presented on public and open blockchains used by the Company as of July 31, 2024, at 11:50pm Eastern Time is fairly stated, in all material respects.
